

COMITÉ OLÍMPICO ESPAÑOL

## Letter of Commitment

To the Executive Secretary of the  
United Nations Framework Convention on Climate Change (UNFCCC)  
Secretariat Bonn, Germany

Recognizing the critical need for cities, regions, companies and investors from around the globe to help implement the Paris Agreement and accelerate the transformative change needed to reach greenhouse gas (GHG) emission neutrality (i.e. climate neutrality) in the second half of the twenty-first century, I am pleased to confirm that the Spanish Olympic Committee supports the vision outlined in the Sports for Climate Action Declaration.

With this communication, we express our intent to implement the principles enshrined in the Sports for Climate Action Framework and commit to working collaboratively with our peers and relevant stakeholders to develop, implement and enhance the climate action agenda in sports.

The Spanish Olympic Committee will communicate this commitment to our stakeholders and the general public and will report publicly on progress.

Yours Sincerely
